

## **ALLEGATION ON THE SALE OF DPK AS AVIATION FUEL**

### **QUESTION/ISSUE**

Sahara Group's role concerning the newspaper publication that the company was involved in the sale of DPK as Aviation Fuel.

### **SAHARA'S POSITION**

There was a publication in the Nation Newspaper of December 20, 2011 relating to allegations that Sahara Group was involved in the sale of DPK as Aviation Fuel.

Sahara Group in a rejoinder through its lawyers sent to the President of the Federal Republic of Nigeria on December 22, 2011 provided clear explanations on these allegations and all the necessary documents relating to operations in the Aviation business were submitted to the NCAA, the SSS and the DPR who investigated these allegations and found that the allegations against Sahara Group were unfounded.
