

THE ROLE OF SAHARA GROUP IN THE NIGERIAN OIL AND GAS INDUSTRY SUBSIDY INVESTIGATION

QUESTION/ISSUE

What was the role of Sahara Group in the Oil and Gas Industry wide petroleum subsidy investigations in Nigeria?

SAHARA'S POSITON

This was an industry wide investigation by the Committee of the National Assembly and the Presidential Task Force Committee.

As part of the investigations, all the Petroleum marketers operating in the Petroleum downstream sector were invited to provide documents towards substantiating their subsidy claims over a period.

The House of Assembly committee and the Presidential Task Force committee verified that Sahara's transactions were legitimate.
